excess chemical levels for a responsible solution to water care.

▼ Get Down

waste by using recycled plastics and packaging. Check with your local recycling facility.

PRODUCT YOU CAN COUNT ON:

Sturdy construction and durable materials result in a product you can count on to offer the best in pool care for a ten-year warranty.

INNOVATIVE:

Mineral technology destroys bacteria and helps keep pH in line while reducing chlorine use up to 50%*.

NO GUESSING:

Set the dial at 'MAX' to maximize the water flow through the minerals. No dial adjustments are ever needed.

Mineral Reservoir lasts 6 months.

EASY CAP REMOVAL:

Cap tool included.

LONG LASTING:

Trapped air in pac keeps chlorine dry so it lasts longer with less consumed per season. Simply replace when empty - usually every 2-4 weeks.

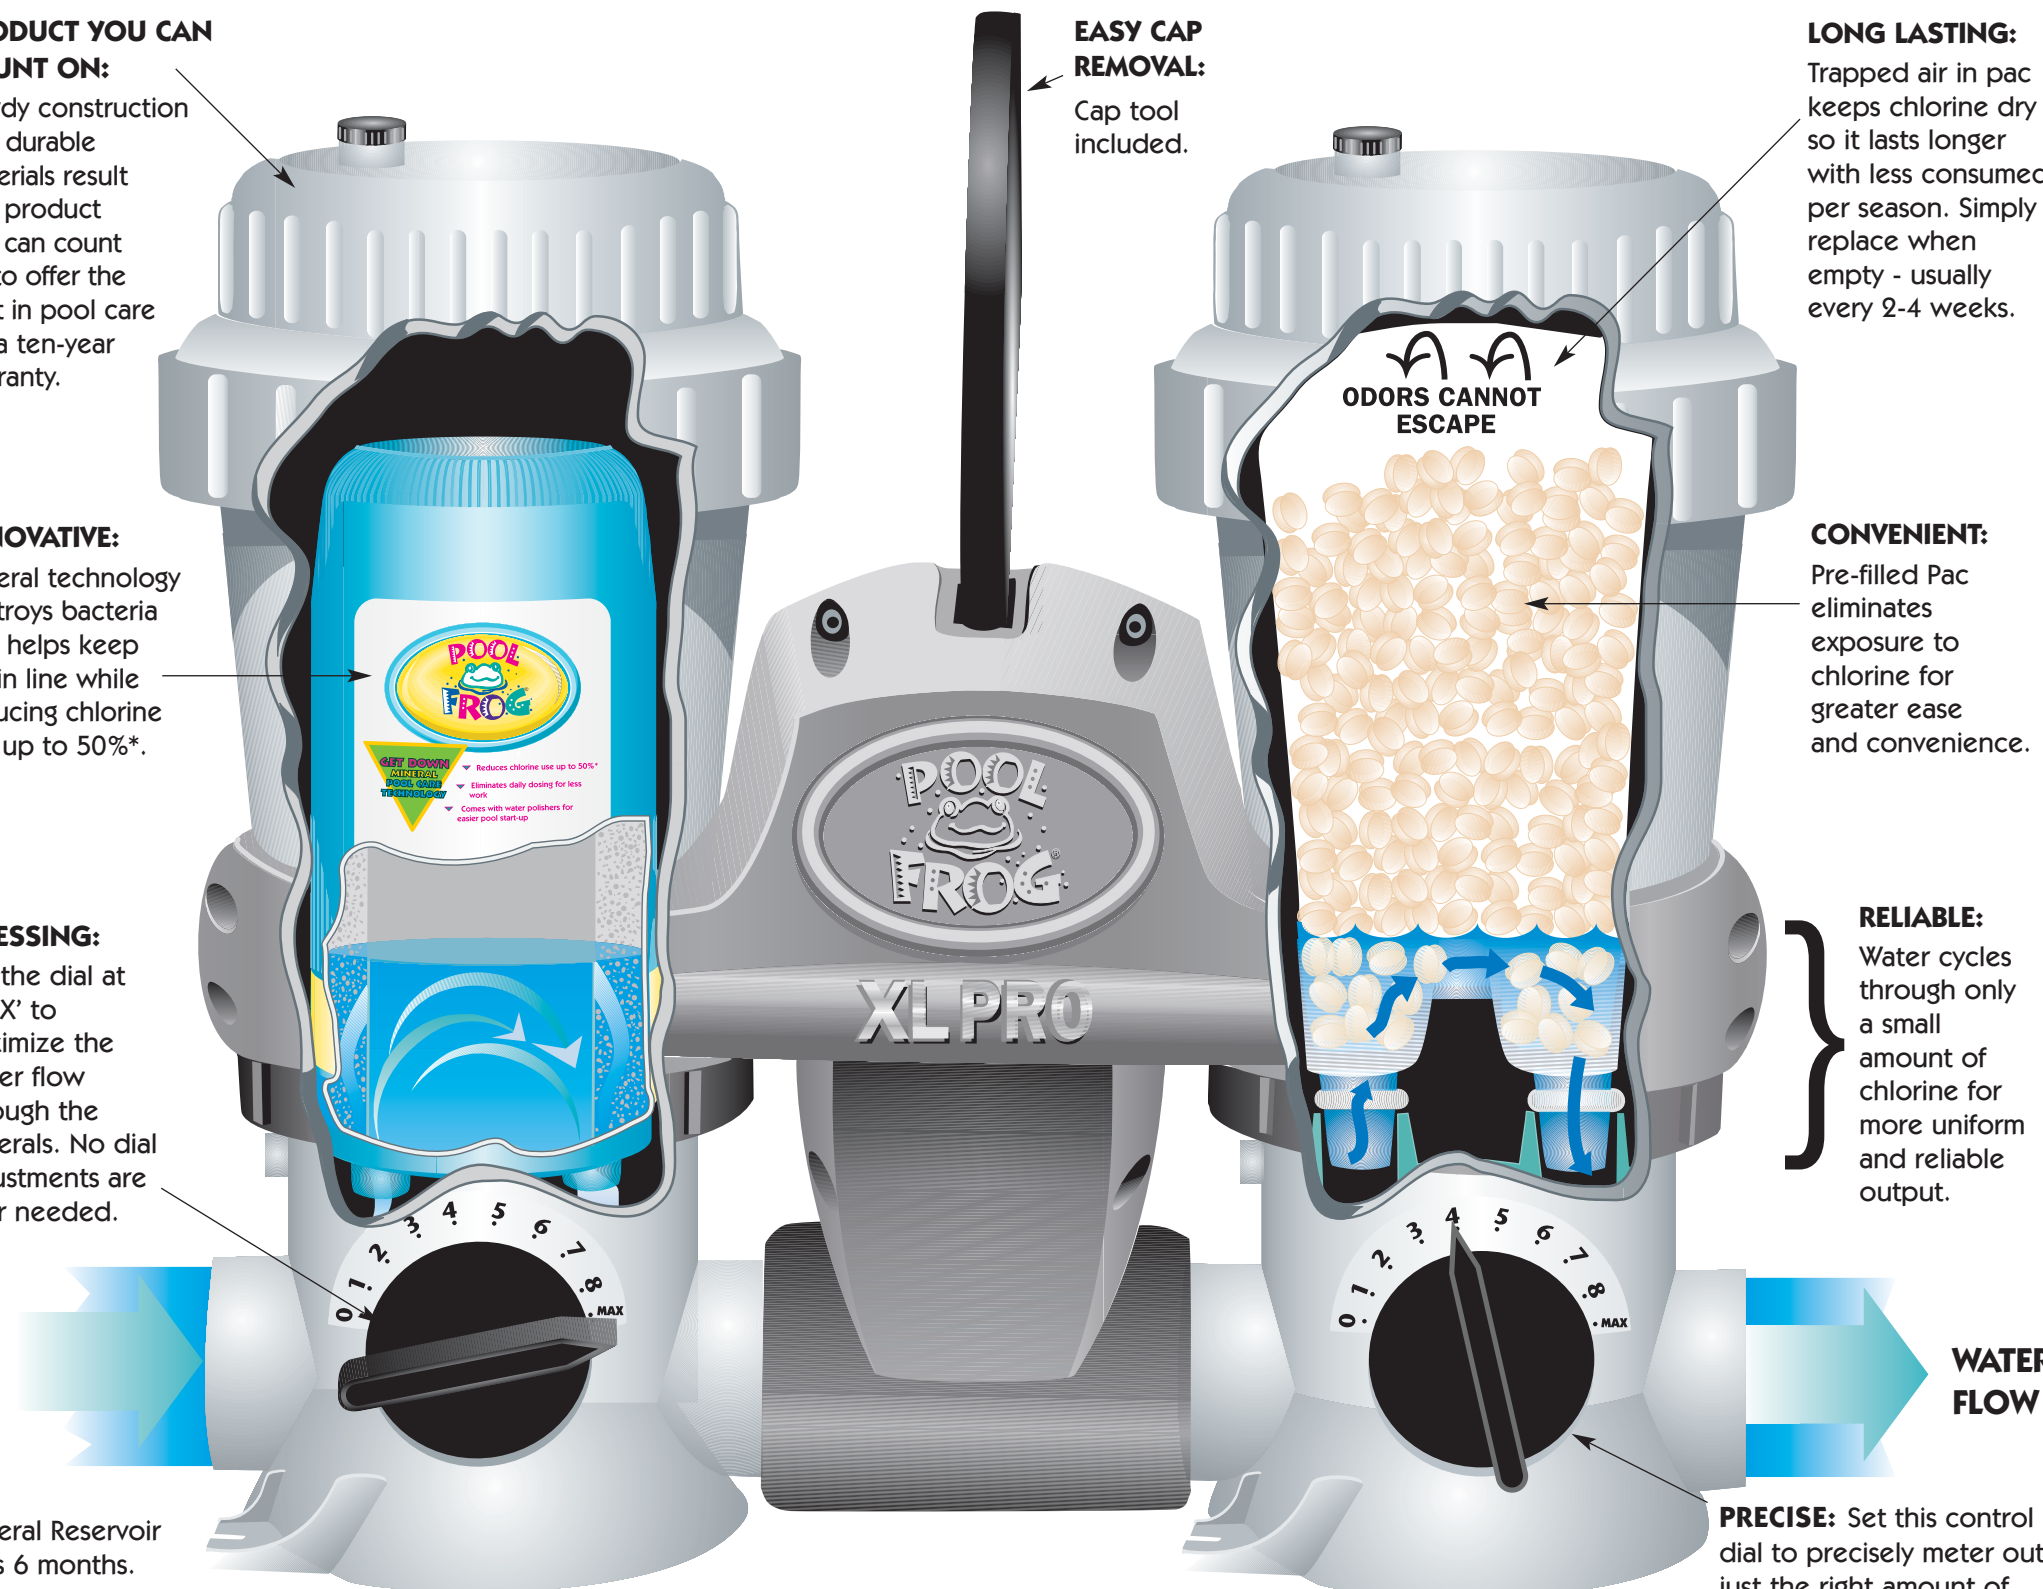

CONVENIENT:

Pre-filled Pac eliminates exposure to chlorine for greater ease and convenience.

RELIABLE:

Water cycles through only a small amount of chlorine for more uniform and reliable output.

PRECISE: Set this control dial to precisely meter out just the right amount of chlorine (only 0.5 ppm).

PUT FROG® MINERALS TO THE TEST!

• POOL FROG® will make you a believer in mineral pool care with water that feels incredibly soft so your skin stays silky smooth. Looking at your pool is like looking into a mirror because mineral water has a crystal clear shine.

• And POOL FROG®'s mineral technology reduces chlorine use up to 50%*. Simply replace every 6 months or one pool season and experience much less work, so you'll enjoy the look and feel of your pool.

Mineral Reservoir

CHLORINE SUPPORT MADE EASY.

• The POOL FROG® Pac with 7 lbs. of chlorine is placed inside the POOL FROG® Chlorine Cycler, providing a low level chlorine support for approximately 2-4 weeks.

• POOL FROG® is the only mineral system with a pre-filled chlorine pac that meets the EPA requirements to lower previously approved safe chlorine levels by up to 50%.

7 lb. Chlorine Pac

ALGAE PROTECTION

• FROG BAM® is a 90-day algae preventative that when distributed into the pool through the POOL FROG® Mineral Cycler, guarantees your pool won't experience any algae hassles for 90 days!

• POOL FROG® even offers an algae-protection guarantee when you use FROG BAM® with the POOL FROG® System.

*Compared to minimum EPA recommended chlorine level of 1.0 ppm for a stabilized swimming pool
